CENTRAL OTAGO

## Chard Farm - Masons Vineyard Pinot Noir 2020

*Parkburn, Cromwell Basin, Central Otago*

“Deep-ish red with good purple tints, the bouquet reserved and quiet with black cherry, dried-herb and autumnal underbrush nuances. The tannins are quite firm and strong in the mouth, where the wine has density and extract lending it real gravitas. A smart, vibrant and well-structured pinot that should age beautifully.”

**Huon Hooke - 96/100**

“Medium-bodied, moderately intense pinot noir with red cherry, plum, floral/violet, vanilla pod and subtle dried-herb flavours. A backbone of fine, stemmy tannins suggests good cellaring potential.”

**Bob Campbell - 94/100**
