

Chard Farm the Viper Pinot Noir 2022

Central Otago

Chard Farm Viper Vineyard Pinot Noir 2022 Cromwell/Lowburn/Pisa. A sense of site as well as style with a bouquet of mineral and earth, fruit and floral mystery. A dry wine with a core of plum and red berry fruits, an abundance of fine tannins and backbone of acidity, very youthful with a few tickles on the nose then flavours from the bouquet repeating. Fresh, new, taut, balanced and well made with some fine almost chalk dusty tannins. Best from late 2025 through 2033.
