CENTRAL OTAGO

Closeburn Chardonnay 2023

winemakers comments:

Closeburn is our non-oaked Chardonnay. The fruit is grown throughout the Central Otago region and exhibits the regions natural elegant fruit flavours and mineral complexity. The wine is fermented in tank to retain its bright fruit. It is then left to rest on its yeast lees to gain some doughy complexity and softness. This is a refreshing full-bodied wine, unencumbered by oak and superb with food.

wine description:

Appley, lemony, nutty aromas with fresh, slightly minty, herbal undertones. A core of zesty lemon fruit drives the palate, while nutty savoury notes and salinity provide extra depth and complexity to the long and seamless flavours.
