Chard Farm Mason Vineyard Chardonnay 2024

Parkburn

Drinking Window: 2026-2033

A single-vineyard chardonnay sourced from the Mason vineyard in the Parkburn subregion of the Cromwell Basin. Pale straw in the glass. A splash of grapefruit leads in with underlying fruit tones of white nectarine, peach and citrus fruits along with hints of soft spice, light nutty oak, crème fraîche, crushed stone, clover blossom, nougat and ozone. Composed and graceful, with a core of ripe stone and citrus, tight, driving acidity and minerally flair to the exit.
