CENTRAL OTAGO

Chard Farm Tiger Pinot Noir 2023

Parkburn

Drinking Window: 2025-2036

Single vineyard pinot noir from the Lowburn sub-region in Central Otago. Mud-ruby with bright raspberry, red cherry and wild strawberry fruit with touches of exotic spice, twiggy bits and bobs, crushed thyme, dried meats, cherry blossom and earth. There's an energetic flow of pure fruit on display with chewy schisty tannins and bright red cherry skin acidity.
