Chard Farm Hawkesburn Pinot Noir 2023

Bannockburn

Drinking Window: 2026-2034

A youthful core of savoury and dried herb flavours frames red berry fruits of plum and red cherry, with plenty of soil and wood spice. A taut wine with firm tannins and a backbone of acidity. Dry, taut and youthful, with baking spice, dried autumn leaves, some floral wild rose layers and leesy complexities. As the wine relaxes in the glass and reaches ambient temperature, the complexity, fruit and detail expand. Nut and spice, some wood smoke and decent length
