

## **Chard Farm Hawkesburn Pinot Noir 2022**

*Central Otago*

Chard Farm Hawkesburn Vineyard 2022 Bannockburn. A bouquet of elegance and primary fruits scents then soil and finesse from some dried herb and savoury spice highlights. Fine tannins are in abundance with a backbone of acidity and soil smoke of clay and stone. Cherry and plum, some dried herb and savoury qualities, then dried rose and clove. A wine that will surely develop even more complexities and settle into its style over the next could of years. Best from 2027 through 2037.
