CENTRAL OTAGO

Manata Pinot Noir 2023

Winemakers comments:

Manata is our Central Otago regional Pinot Noir made from grapes grown in our vineyards in different sub-regions of Central Otago. The deep alpine valleys and waterways of Central Otago have carved the land available for grape growing into quite distinct sub-regions. Each pocket of land has its own unique climate and soil mix producing quite different styles of Pinot Noir. Manata captures the character of each of the sub-regions where our vineyards are planted. Lowburn gives us bright, fresh sweet fruit, Parkburn brings good texture and mineral length.

Wine description:

An attractive perfume of sweetly spiced ripe cherry and dried herbs. The supple red fruited mid-palate has nice weight and generous berry flavours; supported with a silky frame of persistent tannins and calm acid balance.
