CENTRAL OTAGO

Pinot Gris 2024

winemakers comments:

Our Pinot Gris is made from fruit grown on our Tiger, and Sinclair vineyards in the Parkburn area of Cromwell. All the grapes are hand harvested and fermented in small lots in stainless steel tanks helping to retain fruit purity and finesse. The wine is full, dry, and textural, and displays excellent fruit structure, intensity, and mineral length.

wine description:

An elegant perfume of honeysuckle, pear and citrus blossom. Plush white grape, pear and fig fruit give a sense of richness to the textured mid palate, after which mineral acid brings a satisfying freshness and tension to the finish.
