CENTRAL OTAGO

Chard Farm River Run Pinot Noir 2024

Central Otago

Drinking Window: 2029-2040

Aromas and flavours of dark cherry and plum, a very youthful and tense wine poised for ageing, with flavours of boysenberry and dark plum, layers of dried herbs and tilled soil, some mushroom and barrel spice of clove and vanilla. Firm tannins and an abundance of acidity ensure this wine will stay the distance, age well and offer a lengthy finish. Best enjoyed alongside cheeses or from 2029 through 2040.
