CENTRAL OTAGO

Swiftburn Sauvignon Blanc 2026

Our Central Otago grown Sauvignon Blanc is made to display classic Sauvignon herbaceousness, a touch of tropical fruit and a textural structure we only see in Central Otago Sauvignon Blanc. It is something a little different. The wine is full and textural in the mouth and has long lasting flavour. Handpicked and whole bunch pressed this is a small batch wine. Wild yeast fermentation, extended lees contact, and a small portion fermented in barrel gives the wine the texture and length we are looking for.

Wine description:
Fresh citrus aromas of lemon and grapefruit pair with notes of tropical fruits in the background. Juicy passionfruit and pineapple flavours on the palate give way to a tangy citrus backbone and a refreshing and balanced finish.
