CENTRAL OTAGO

Swiftburn Sauvignon Blanc 2024

winemakers comments:

Our Central Otago grown Sauvignon Blanc is made to display classic Sauvignon herbaceousness, a touch of tropical fruit and a textural structure we only see in Central Otago Sauvignon Blanc. It is something a little different. The wine is full and textural in the mouth and has long lasting flavour. Handpicked and whole bunch pressed this is a small batch wine. Wild yeast fermentation, extended lees contact, and a small portion fermented in barrel gives the wine the texture and length we are looking for.

wine description:

Lively and uplifting aromas of fresh grape, melon, passionfruit and citrus. The fresh fruit flavours continue onto the palate where savory herbal notes create nice complexity and pleasing length.

Harvest: 2nd April 2024

Brix: 22.3

pH: 3.01

TA: 9.2g/L

in bottle:

pH: 3.30

TA: 7.2g/L

Alc: 13.5%
