CENTRAL OTAGO

Chard Farm the Tiger Pinot Noir 2021

Central Otago

Supple wine with precision and purity. Dark cherry, floral/violet, mixed spice, nicely integrated oak and berry/blackcurrant flavours. Restrained, elegant wine that has been made with a light touch

Chard Farm the Tiger Pinot Noir 2021

Central Otago

Bright ruby with purple glints to the edge. Black cherry, cola and dark slate aromatics. Fills the palate with intense, fragrant red fruits that meld with exotic spices and a dark slate minerality that adds further to the appeal. Tannins are powdery, ensuring it remains focused and offers tension from start to finish. Serious intent and delivery here
