CENTRAL OTAGO

Chard Farm Tiger Pinot Noir 2023

Lowburn

Drinking Window: 2026-2036

Fragrant and floral with scents of roses and wildflowers, with suggestions of clay and silty soil, then flavours of raspberry and red tea, a light meaty quality, earth and dark cherry. Layers of wood spice and red berry fruits, lees and nut, sage and nettle. Dry, with an abundance of firm tannins and a backbone of acidity framing the core fruit flavours, alongside some light, positive reduction and gentle dried herb qualities. Delicious and fresh.
