CENTRAL OTAGO

Swiftburn Sauvignon Blanc 2023

winemakers comments:

Our Central Otago grown Sauvignon Blanc is made to display classic Sauvignon herbaceousness, a touch of tropical fruit and a textural structure we only see in Central Otago Sauvignon Blanc. It is something a little different. The wine is full and textural in the mouth and has long lasting flavour. Handpicked and whole bunch pressed this is a small batch wine. Wild yeast fermentation, extended lees contact, and a small portion fermented in the barrel give the wine the texture and length we are looking for.

wine description:

An alluring medley of passion fruit, gooseberry, and fresh citrus with subtle herbal undertones. Vibrant and zesty, enticing with sweet tropical notes, balanced with a tangy burst of citrus. The gooseberry and herbal notes add a refreshing complexity and lively finish.

Harvest: 4th April 2023
