

Chard Farm the Tiger Pinot Noir 2022

Central Otago

The Tiger Vineyard is from the Lowburn sub-region. For me, it is always one of the really appealing wines in the quartet, although we could say that about them all. Pale red with a slight dulling of the colour on the rim, this is a sappy, savoury nose, which is really attractive. Herbs, red fruits, animal hides, truffle notes, there is good balance throughout with a fine line of acidity. A juicy style with decent length, which will be providing pleasure for the next six to ten years.

Score : 94
