## ARE YOU MOVING?

While it is fresh in your mind, why not take a few moments now to notify us when and where you are moving. In that way we will be able to correct your record far enough in advance to guarantee the continuation of your service without interruption. Please remember that it takes between four to six weeks before the change can take effect.

When writing to us, it would be helpful if you would attach a copy of your mailing label from a recent issue so we may have reference to the computer coding.
