Data provided by City of Wichita, Sedgewick County, Wichita Public Schools, Kansas Department of Transportation, USGS, and ESRI. Map created January 5th, 2012

NOTES:

- Middle school grade configuration for each building is 6-8
- Schools shown in white in the legend table are those that do not have a boundary shown on the map
- NE K-8 will open as K-5 grade configuration in 2012/13
- SE K-8 will open as full K-8 school in 2012/13
- Proposal decisions impacted by current budget considerations
- Enrollment in each attendance area will vary based on student choice to attend a magnet program, educational programming in other facilities, or student transfers
- Proposal capacity numbers provided by Schaefer Johnson Cox Frey and Wichita Public Schools (based on 25 students per classroom)
- The following middle schools are pure magnets, having no geographic boundary: Allison, Brooks, Gordon Parks Academy (6-8 only), Horace Mann Dual Language, and Mayberry
- SE K-8 will be formally named by the BOE in May 2012
- Middle school students within the AAA boundary area are assigned by address to middle schools throughout the district
